

REQUIREMENTS OF THE CHRONIC CARE MANAGEMENT (CCM) FEE

Do you see Medicare patients with two or more chronic conditions?

Do you want to make \$43 or more per patient per month?

Then you could benefit from the Chronic Care Management fee!

Sign up any Medicare patient who fits the CMS criteria.

Adhere to the CCM five core competencies.

- 📍 Use certified electronic health record technology.
- 📍 Maintain an electronic care plan.
- 📍 Ensure patient access to care.
- 📍 Facilitate transitions of care.
- 📍 Coordinate care.

Provide 20+ minutes of out-of-office care to patients per month.

With the Chronic Care Management fee, you can improve patient care and outcomes — and keep your practice financially healthy.
