

EHR satisfaction is within reach

EHRs are the No. 1 cause of dissatisfaction among physicians ... but don't need to be.

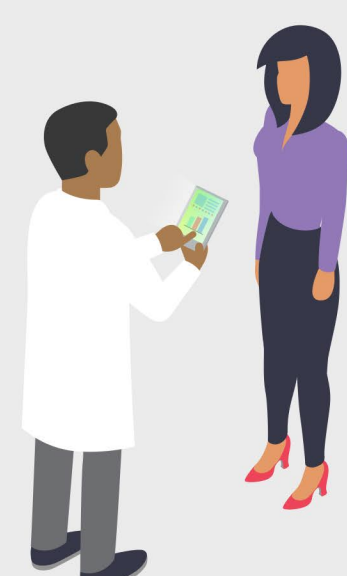

Yes, EHRs are often a pain point for physicians. But at Greenway, we're looking to change that.

With **Intergy** — our EHR and practice management solution — we give you the technology and actionable insights you need so you **can boost your success.**

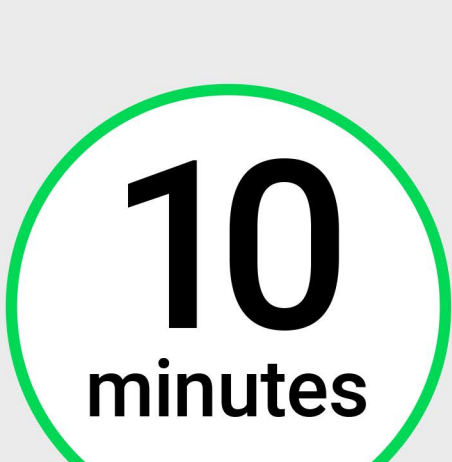

OF 30 MINUTES DEVOTED TO A PATIENT VISIT

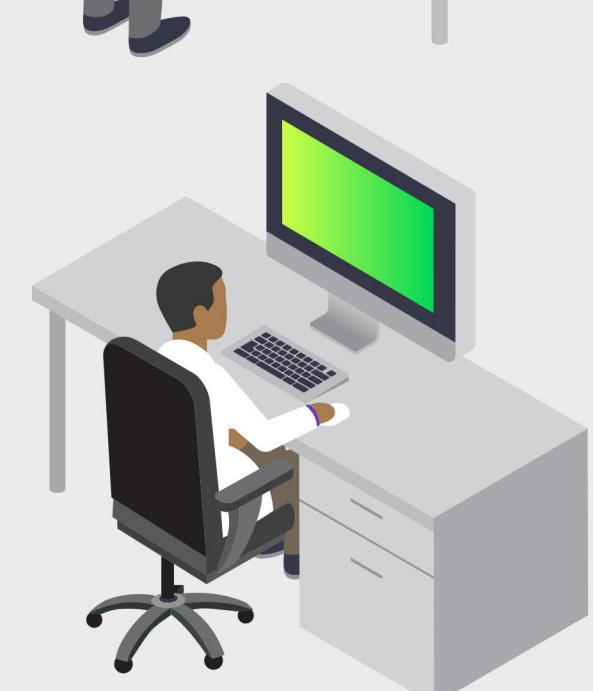

spent interacting with record system during visit

spent interacting and treating the patient

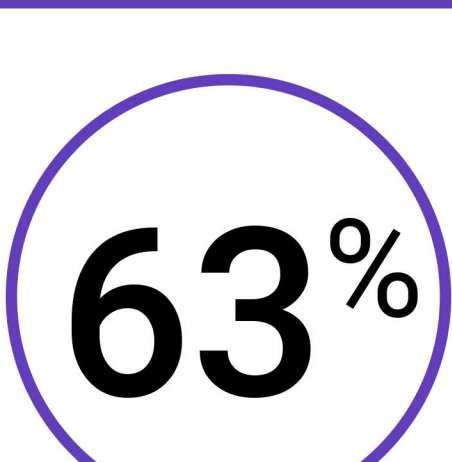

spent at computer after visit ¹

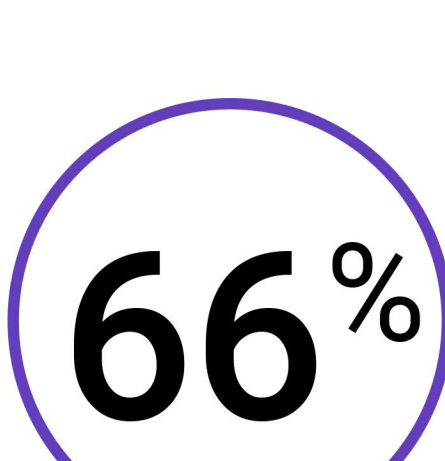

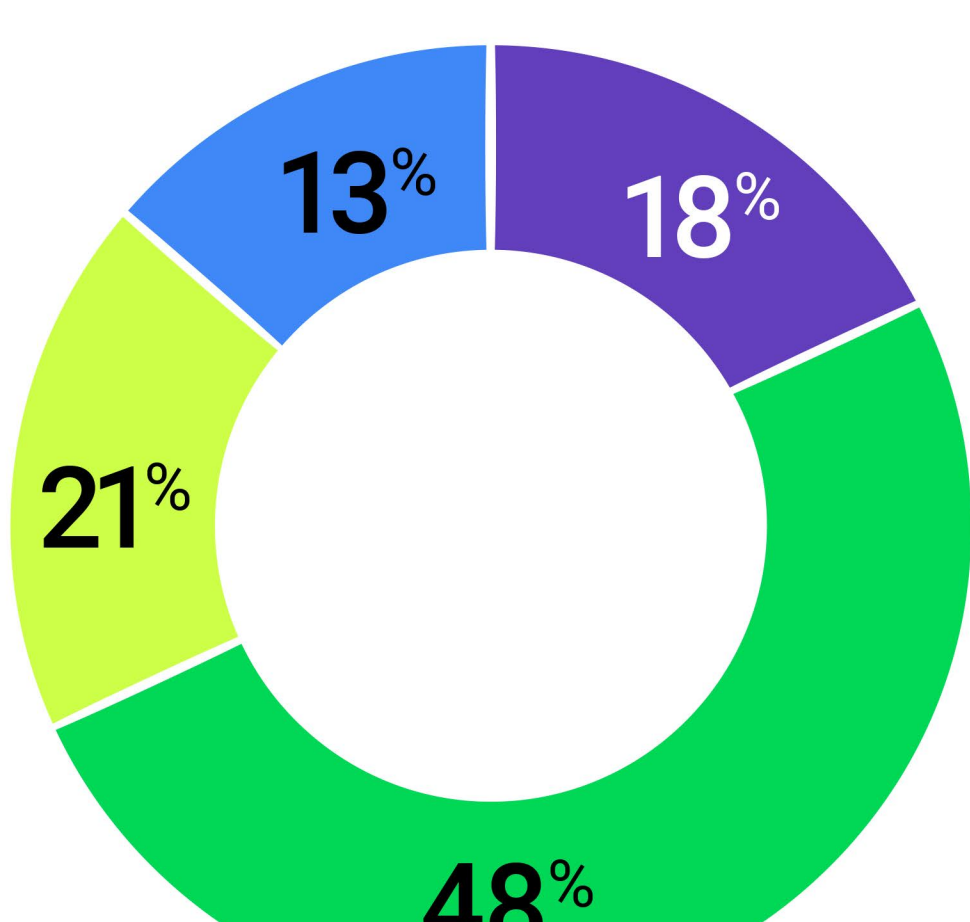

“We love Intergy. It’s an absolutely fantastic platform. I love the logic of it, its functionality, and ease of use.”

- Sadhna Jani, CFO at Burlington Neurology and Sleep Clinic

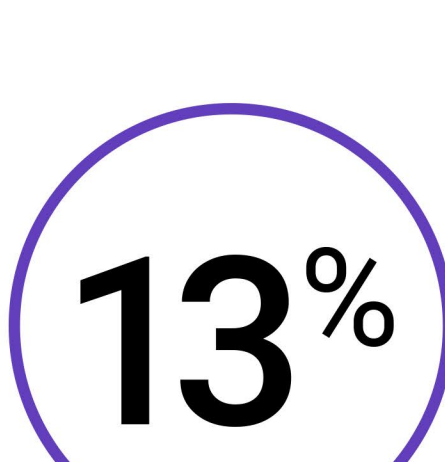

DOCTORS ACKNOWLEDGE POSITIVE IMPRESSIONS OF EHRs ²

of physicians think EHRs have generally improved care

Two-thirds of PCPs report that they are satisfied with their current EHR system

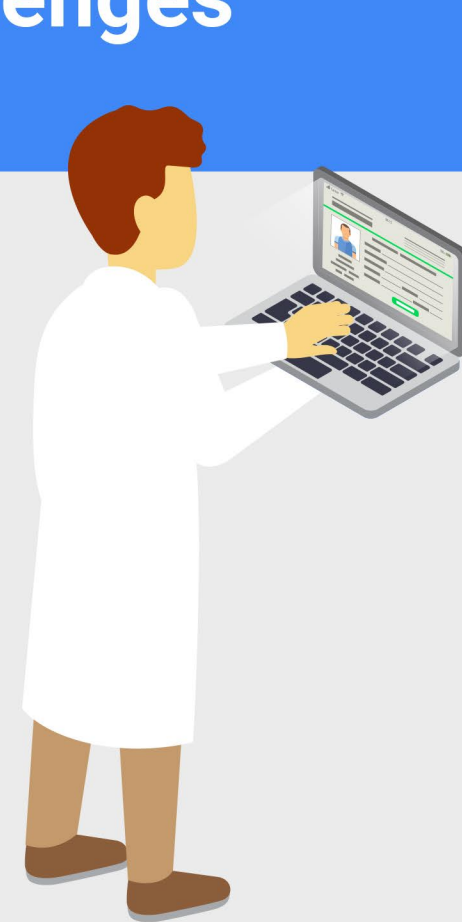

However, only 1 in 5 is very satisfied

- Very Satisfied
- Somewhat Dissatisfied
- Somewhat Satisfied
- Very Dissatisfied

72% of doctors believe improving user interfaces may be the best way to address immediate EHR challenges

If your current EHR keeps you from seeing patients, you should consider our Intergy EHR and practice management solution.

- ✓ Customizable for more than 40 specialties for practice-specific ease-of-use
- ✓ Intergy Hosted offers 24/7 monitoring, disaster recovery, greater security, and much more
- ✓ Integrated options for speech-to-text, mobile, patient engagement, and analytics
- ✓ Experience greater flexibility with more than 500 standardized reports you can adapt to make your own

IT MAY BE TIME FOR A CHANGE

If spending more time with your patients and less time in your EHR sounds good, **click here to schedule a conversation with a Greenway Health representative.**
