

# A \$230,000 Value Proposition in 30 seconds with Patient Payments

## Overview

InstaMed is healthcare's **most trusted payments network**, connecting providers, payers and consumers on one platform.

\$ **240** Billion  
processed in healthcare payments

**Nationwide network** of providers, payers and consumers in all 50 states

## Opportunity

InstaMed's **Patient Payments** solution delivers the frictionless, omnichannel payment experience that patients demand on the most secure and compliant platform in healthcare.

## Solution in Action

A large Northeastern regional hospital trusts InstaMed for patient payments while saving six-figures annually in security and compliance costs.

A multi-location Southwestern health network trusts InstaMed for omnichannel patient payments and clearinghouse transactions integrated into their EHR.

## Results | Based on 120,000 Statements Annually

\$ **180**k  
annual revenue increase

\$ **50**k  
annual cost savings

**83%**  
reduction in security and compliance costs

**40%**  
reduction in bad debt

Time's up. **Let's talk more.**
