Greenway Intergy v12.00

To Drummond Group,

Please allow this letter to serve as Greenway Health, LLC's ("Greenway") Mandatory Disclosure Statement for all certified versions of Greenway Intergy. In accordance with the Mandatory Disclosure Statement Instructions, the following is the exact disclosure language that will be used for this certified product:

New versions of Greenway Intergy will be available to all current Intergy customers as a no-charge update. Greenway Intergy consists of Greenway Intergy EHR, Greenway Intergy Practice Analytics, Greenway Patient Portal and Greenway Insights, and is available to new customers either through a one-time license fee, to include implementation service fees, and ongoing annual maintenance and support, or in a hosted model with an upfront implementation fee and ongoing monthly hosted service fees. Incremental costs that an eligible provider would pay to implement Greenway Intergy as a 2015 Edition EHR may include:

<b>Capability</b>	<b>Description of Capability</b>	<b>Costs or Fees</b> <i>Types of costs or fees that a user may be required to pay to purchase, license, implement, maintain, upgrade, use, or otherwise enable and support the use of the implementation or use of the capability -OR- in connection with the data generated in the course using the capability</i>
Electronic Prescribing § 170.315(b)(3)	E-prescribing empowers providers to securely send paperless prescription requests to a pharmacy at the touch of a button	Ongoing monthly licensing cost per provider.
Electronic connection to Registries, Health Information Exchanges, Public Health Agencies, and other settings of care. § 170.315(f)(1)	HIEs provide the foundation for information exchange among organizations in a region, community, or health system. These entities are either store all data in a single location or maintain it in multiple locations. They are comprised of a master patient index that match patients to the records sourced from all the HIEs connections, and the repository exists to store patient information.	One-time cost to establish each interface. Ongoing monthly cost per organization to support each interface.
Greenway Patient Portal § 170.315(e)(1) & (e)(3)	Greenway Patient puts your patients' healthcare record in their hands, whether they use a phone, tablet, or desktop. It is fully mobile and gives them a connection to your practice and their health.	One-time cost to implement patient portal. Ongoing monthly cost per provider to support patient portal.
Direct Messaging § 170.315(b)(1) & (h)(1)	DIRECT is a relatively easy way to get providers engaged with clinical connectivity. It uses the same established protocols to ensure you can securely send clinical information through a commonly used communication channel that's like email.	One-time cost to implement direct secure messaging. Ongoing monthly licensing cost per provider.

This language will be displayed on Greenway's website here:
