

Urology Center Reduces Rejected Claims

99% patient utilization
at Clearwave Kiosks

20% decrease in
rejected claims

78% increase in point-
of-service collections

“Since implementing Clearwave, we’ve seen an incredible return on our investment. Patients have effortlessly adapted to using kiosks. Our rejected claims have dropped by approximately 20%. Our **point-of-service collections at the kiosk have increased by roughly 78%.**”

Jason Biddy

CEO | Urology Centers of Alabama

Located in Homewood, Alabama, Urology Centers of Alabama has been leading the way in cutting-edge medical procedures and research. In order to stay at the forefront of technology in every aspect of their practice, Urology Centers of Alabama needed to find a solution to enhance the patient experience and improve their accounts receivables. After evaluating solutions, they knew Clearwave was the right partner.

In November 2018, Urology Centers of Alabama went live with Clearwave’s Enterprise Eligibility™ and four of Clearwave’s self-service registration kiosks at their flagship office in Homewood. Since the initial implementation, Urology Centers of Alabama had an astounding 99% patient utilization of their kiosks. With Clearwave’s solutions, Urology Centers of Alabama reduced their average check-in time to three minutes.

About Urology Centers of Alabama

For over 60 years, Urology Centers of Alabama

has been committed to providing the highest quality medical services in a compassionate and caring environment. With 24 skilled urologists, two urogynecologists, two radiation oncologists, a medical oncologist, a pathologist, a team of physicians’ assistants and nurse practitioners, and over 160 employees, the practice has earned a well-deserved reputation for excellence in the Birmingham medical community.
