

## **SVAP NOTICE: GREENWAY SUPPORTS THE US CORE 4.0 IMPLEMENTATION GUIDE WITH IT'S CURES-EDITION EHR RELEASES**

Sept. 23, 2022

The 21st Century Cures Act will provide patients with greater access to medical records, choice, and an improved healthcare experience. By staying updated and informed, you can ensure your practice meets all Cures Act requirements.

### **Innovation Working for You**

Greenway has adopted the FHIR (Fast Healthcare Interoperability Resources) US Core Implementation Guide 4.0.0, which is a new standard that goes beyond the minimum requirements for certification. Greenway Cures Edition EHRs will be certified to meet Cures Act requirements and provide you with access to the newest standards in the industry.
