

# Empower Your Team

## GREENWAY CONTINUOUS TRAINING PROGRAMS

### Unlock growth, efficiency, and expertise with our tailored learning solutions

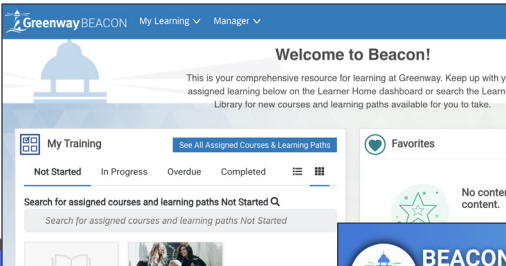

Elevate your team’s proficiency and drive success in healthcare management with Greenway Health’s dynamic Continuous Training Programs. Our programs, featuring Virtual Interactive Academy (VIA), Beacon, and Professional Services, are designed to **meet the industry’s evolving demands**. Empower your staff with expert-led training tailored to their needs, ensuring they **stay ahead in delivering exceptional patient care**.

#### VIRTUAL INTERACTIVE ACADEMY (VIA)

VIA offers a guided, hands-on approach to learning, led by seasoned trainers bringing extensive experience and expertise to the virtual group training environment. Tailored to each role within your organization, VIA provides essential insights and practical skills necessary for navigating basic functionalities. From appointment scheduling to patient chart management, VIA ensures your staff gains confidence and efficiency in utilizing Intergy and Prime Suite to its fullest potential.

#### BEACON

Beacon serves as your hub for hundreds of self-paced courses and live training classes. Your Beacon journey starts with the learner dashboard on the home page, where you can find your assigned and in-progress courses, favorites, and recently viewed content.
